

zh-CN

圈形的进度。

en-US

A circular progress bar.

```
import { Progress } from 'antd';

export default () => (
  <>
    <Progress type="circle" percent={75} />
    <Progress type="circle" percent={70} status="exception" />
    <Progress type="circle" percent={100} />
  </>
);
```
