Usually used for reminders and notifications.

```
import { Avatar, Badge } from 'antd';
import { UserOutlined } from '@ant-design/icons';

export default () => (
  <>
    <span className="avatar-item">
      <Badge count={1}>
        <Avatar shape="square" icon={<UserOutlined />} />
      </Badge>
    </span>
    <span>
      <Badge dot>
        <Avatar shape="square" icon={<UserOutlined />} />
      </Badge>
    </span>
  </>
);
```

```
/* tile uploaded pictures */
.avatar-item {
  margin-right: 24px;
}

[class*='-col-rtl'] .avatar-item {
  margin-right: 0;
  margin-left: 24px;
}
```
