View a list of organization users

You can see a list of users with accounts in your Grafana organization. If necessary, you can use the search field to filter the list.

Before you begin

- Ensure you have organization administrator privileges

To view a list of organization users:

1. Sign in to Grafana as an organization administrator.
2. Hover your cursor over the **Configuration** (gear) icon in the side menu and click **Users**.

Org Admin user list

Note: If you have [server administrator]({{< relref “../about-users-and-permissions.md#grafana-server-administrators”>}}) permissions, you can also [view a global list of users]({{< relref “../manage-users-and-permissions/manage-server-users/view-list-users.md”>}}) in the Server Admin section of Grafana.
