

# Client Driver Documentation

This is the documentation for client drivers themselves. Refer to `Documentation/driver-api/surface_aggregator/client.rst` for documentation on how to write client drivers.

**System Message: ERROR/3 (D:\onboarding-resources\sample-onboarding-resources\linux-master\Documentation\driver-api\surface\_aggregator\clients\[linux-master] [Documentation] [driver-api] [surface\_aggregator] [clients]index.rst, line 11)**

Unknown directive type "toctree".

```
.. toctree::
   :maxdepth: 1

   cdev
   dtx
   san
```

**System Message: ERROR/3 (D:\onboarding-resources\sample-onboarding-resources\linux-master\Documentation\driver-api\surface\_aggregator\clients\[linux-master] [Documentation] [driver-api] [surface\_aggregator] [clients]index.rst, line 18)**

Unknown directive type "only".

```
.. only:: subproject and html
