Reporting

Reporting allows you to generate PDFs from any of your dashboards and have them sent out to interested parties on a schedule.

```
{{< figure src="/static/img/docs/enterprise/reports_list.png" max-  
width="500px" class="docs-image-no-shadow" >}}
```

Reporting is only available in Grafana Enterprise, v6.4 or later.
For more information, refer to Reporting({{< relref “../enterprise/reporting.md” >}}) in [Grafana Enterprise]({{< relref “../enterprise” >}}).
