

zh-CN

自定义图片链接、图片大小、描述、附属内容。

en-US

Customize image source, image size, description and extra content.

```
import { Empty, Button } from 'antd';

export default () => (
  <Empty
    image="https://gw.alipayobjects.com/zos/antfincdn/ZHrcdLPrvN/empty.svg"
    imageStyle={{
      height: 60,
    }}
    description={
      <span>
        Customize <a href="#API">Description</a>
      </span>
    }
  >
    <Button type="primary">Create Now</Button>
  </Empty>
);
```
