

Security Policy

Reporting a Vulnerability

If you have information about a security issue or vulnerability in OpenCV, please send an e-mail to security@opencv.org.

Please provide as much information as possible:

- A detailed description of the vulnerability we can use to reproduce your findings.
- Who can exploit this vulnerability and what would they gain. An attack scenario.
- Information about known exploits if any.

A member of the Security Team will review your e-mail and contact you to collaborate on resolving the issue.

PGP Key

If a security vulnerability report has extremely sensitive information you may encrypt it using our PGP public key:
