

Rich Harris, the creator of Svelte, taught a course:

- [Frontend Masters](#)

There are also a number of third-party courses:

- [Egghead](#)
- [Udemy](#) (Note: Udemy frequently has discounts over 90%)
- [Pluralsight](#)

Finally, there are also YouTube channels and playlists that teach Svelte:

- [Svelte Master](#)
- [Svelte Tutorial for Beginners](#) by The Net Ninja
