带有文字和图标。

en-US

With text and icon.

```
import { Switch } from 'antd';
import { CloseOutlined, CheckOutlined } from '@ant-design/icons';

export default () => (
  <>
    <Switch checkedChildren="开启" uncheckedChildren="关闭" defaultChecked />
    <br />
    <Switch checkedChildren="1" uncheckedChildren="0" />
    <br />
    <Switch
      checkedChildren={<CheckOutlined />}
      uncheckedChildren={<CloseOutlined />}
      defaultChecked
    />
  </>
);
```
