## Scenario Guides

The guides in this section are migrating into collections. Remaining guides may be out of date.

These guides cover integrating Ansible with a variety of platforms, products, and technologies. They explore particular use cases in greater depth and provide a more "top-down" explanation of some basic features.

We are migrating these guides into collections. Please update your links for the following guides:

`ref`ansible_collections.amazon.aws.docsite.aws_intro``

**System Message: ERROR/3 (D:\onboarding-resources\sample-onboarding-resources\ansible-devel\docs\docsite\rst\scenario\_guides\[ansible-devel] [docs] [docsite] [rst] [scenario\_guides]guides.rst, line 15); [backlink](#)**
