## The Python Package Index (PyPI)

The [Python Package Index \(PyPI\)](#) stores metadata describing distributions packaged with distutils and other publishing tools, as well the distribution archives themselves.

References to up to date PyPI documentation can be found at [ref:publishing-python-packages](#).

**System Message: ERROR/3** (D:\onboarding-resources\sample-onboarding-resources\cpython-main\Doc\distutils\[cpython-main] [Doc] [distutils]packageindex.rst, line 13); *backlink*
