Steps with progress dot style.

```
import { Steps, Divider } from 'antd';

const { Step } = Steps;

export default () => (
  <>
    <Steps progressDot current={1}>
      <Step title="Finished" description="This is a description." />
      <Step title="In Progress" description="This is a description." />
      <Step title="Waiting" description="This is a description." />
    </Steps>
    <Divider />
    <Steps progressDot current={1} direction="vertical">
      <Step title="Finished" description="This is a description. This is a description." />
      <Step title="Finished" description="This is a description. This is a description." />
      <Step title="In Progress" description="This is a description. This is a description." />
      <Step title="Waiting" description="This is a description." />
      <Step title="Waiting" description="This is a description." />
    </Steps>
  </>
);
```
