

zh-CN

支持上传一个文件夹里的所有文件。

en-US

You can select and upload a whole directory.

```
import { Upload, Button } from 'antd';
import { UploadOutlined } from '@ant-design/icons';

export default () => (
  <Upload action="https://www.mocky.io/v2/5cc8019d300000980a055e76" directory>
    <Button icon={<UploadOutlined />}>Upload Directory</Button>
  </Upload>
);
```
