

# Ansible Community Guide

## Note

### Making Open Source More Inclusive

Red Hat is committed to replacing problematic language in our code, documentation, and web properties. We are beginning with these four terms: master, slave, blacklist, and whitelist. We ask that you open an issue or pull request if you come upon a term that we have missed. For more details, see [our CTO Chris Wright's message](#).

Welcome to the Ansible Community Guide!

The purpose of this guide is to teach you everything you need to know about being a contributing member of the Ansible community. All types of contributions are welcome and necessary to Ansible's continued success.

**System Message: ERROR/3 (D:\onboarding-resources\sample-onboarding-resources\ansible-devel\docs\docsite\rst\community\[ansible-devel][docs][docsite][rst][community]index.rst, line 20)**
