

## zh-CN

我们为 `<Input />` 输入框定义了三种尺寸（大、默认、小），高度分别为 `40px`、`32px` 和 `24px`。

## en-US

There are three sizes of an Input box: `large` (40px), `default` (32px) and `small` (24px).

```
import { Input } from 'antd';
import { UserOutlined } from '@ant-design/icons';

export default () => (
  <>
    <Input size="large" placeholder="large size" prefix={<UserOutlined />} />
    <br />
    <br />
    <Input placeholder="default size" prefix={<UserOutlined />} />
    <br />
    <br />
    <Input size="small" placeholder="small size" prefix={<UserOutlined />} />
  </>
);
```
