

zh-CN

小一号的圈形进度。

en-US

A smaller circular progress bar.

```
import { Progress } from 'antd';

export default () => (
  <>
    <Progress type="circle" percent={30} width={80} />
    <Progress type="circle" percent={70} width={80} status="exception" />
    <Progress type="circle" percent={100} width={80} />
  </>
);
```
