    <style>body { margin: 100px; }</style>
  </head>
  <body>
    <div id="example"></div>
  </body>
  <script>
    ReactDOM.render(
      React.createElement(antd.DatePicker),
      document.getElementById('example')
    );
  </script>
</html>
```

You can use [babel playground](#) for transform.
