

# Kernel driver max31722

Supported chips:

- Maxim Integrated MAX31722

Prefix: 'max31722'

ACPI ID: MAX31722

Addresses scanned: -

Datasheet: <https://datasheets.maximintegrated.com/en/ds/MAX31722-MAX31723.pdf>

- Maxim Integrated MAX31723

Prefix: 'max31723'

ACPI ID: MAX31723

Addresses scanned: -

Datasheet: <https://datasheets.maximintegrated.com/en/ds/MAX31722-MAX31723.pdf>

Author: Tiberiu Breana <[tiberiu.a.breana@intel.com](mailto:tiberiu.a.breana@intel.com)>

## Description

This driver adds support for the Maxim Integrated MAX31722/MAX31723 thermometers and thermostats running over an SPI interface.

## Usage Notes

This driver uses ACPI to auto-detect devices. See ACPI IDs in the above section.

## Sysfs entries

The following attribute is supported:

temp1_input	Measured temperature. Read-only.
