

Please make sure that this is an issue related to keras. tag:keras_template

Important Notice

Please note that `tf.keras` code was moved entirely to [keras-team/keras](https://github.com/keras-team/keras) repository

You can open any code/doc bugs, performance issues, and feature requests in [keras-team/keras](https://github.com/keras-team/keras) repository

`tf.keras` related issues opened in [tensorflow/tensorflow](https://github.com/tensorflow/tensorflow) repository may not get attention as [keras-team/keras](https://github.com/keras-team/keras) repository is dedicated for the development of `keras` code
