

zh-CN

自定义时长 `10s` , 默认时长为 `3s` 。

en-US

Customize message display duration from default `3s` to `10s` .

```
import { message, Button } from 'antd';

const success = () => {
  message.success('This is a prompt message for success, and it will disappear in 10 seconds', 10);
};

export default () => <Button onClick={success}>Customized display duration</Button>;
```
