

gatsby-plugin-cxs

A [Gatsby](#) plugin for [cxs](#) including server side rendering.

Install

```
npm install gatsby-plugin-cxs cxs
```

How to use

Add the plugin to `gatsby-config.js`

```
module.exports = {  
  plugins: ['gatsby-plugin-cxs'],  
}
```

Now you can start to write cxs and it will do the SSR for you.
