

Support

How to file issues and get help

This project uses GitHub issues to track bugs and feature requests. Please search the existing issues before filing new issues to avoid duplicates. For new topics, file your bug or feature request as a new issue.

For help and questions about using this project, please look at the docs site for Windows Terminal and our Contributor's Guide if you want to work on Windows Terminal.

Microsoft Support Policy

Support for Windows Terminal is limited to the resources listed above.
