Standards checklist:

☐ The PR title is descriptive.
☐ The PR doesn't replicate another PR which is already open.
☐ I have read the contribution guide and followed all the instructions.
☐ The code follows the code style guide detailed in the wiki.
☐ The code is mine or it's from somewhere with an MIT-compatible license.
☐ The code is efficient, to the best of my ability, and does not waste computer resources.
☐ The code is stable and I have tested it myself, to the best of my abilities.
