Note that the 3.0.x and 3.1.x lines have been retired already, with no support whatsoever available anymore, in favor of the 3.2.x line (EOL is December 31 2016, see [this blog announcement](#)).

Please consider upgrading to a more recent version.

Upgrading to Version 3.2

The migration guide for upgrading to Spring 3.2 is available as [Appendix D in the Spring 3.2 reference documentation](#).

Upgrading to Version 3.1

The migration guide for upgrading to Spring 3.1 is available as [Appendix C in the Spring 3.2 reference documentation](#).
