自定义关闭按钮的样式和文字。

en-US

To customize the style or font of the close button.

```
import { Button, notification } from 'antd';

const close = () => {
  console.log(
    'Notification was closed. Either the close button was clicked or duration time
elapsed.',
  );
};

const openNotification = () => {
  const key = `open${Date.now()}`;
  const btn = (
    <Button type="primary" size="small" onClick={() => notification.close(key)}>
      Confirm
    </Button>
  );
  notification.open({
    message: 'Notification Title',
    description:
      'A function will be be called after the notification is closed (automatically
after the "duration" time of manually).',
    btn,
    key,
    onClose: close,
  });
};

export default () => (
  <Button type="primary" onClick={openNotification}>
    Open the notification box
  </Button>
);
```
