Adding Flutter to Android

Choose your adventure

- [Add a Flutter app in a standalone Activity](#)
- [Add a Flutter app in a Fragment](#)
- [Add Flutter app(s) in a Fragment ViewPager](#)
- [Add a Flutter app in a View](#)
- [Create a Flutter plugin](#)

Nuances

- [Launch a Flutter app from an entrypoint other than main](#)
- [Re-use the same FlutterEngine between screens](#)
- [Use old plugins with the new Android embedding](#)
