Thanks very much for your submission to Ansible. It means a lot to us.

We are interested in this idea and would like to see a wider discussion on it on one of our lists. Reasons for this include:

- INSERT REASONS!

Because this project is very active, we're unlikely to see comments made on closed tickets and we lock them after some time. Can you please post on ansible-development list so we can talk about this idea with the wider group?

- Matrix: #devel:ansible.im
- #ansible-devel on irc.libera.chat

Or bring up in one of the weekly Matrix/IRC meetings with the core group:

Thank you once again for this and your interest in Ansible!
