zh-CN

展示字数提示。

en-US

Show character counting.

```jsx
import { Input } from 'antd';

const { TextArea } = Input;

const onChange = e => {
  console.log('Change:', e.target.value);
};

export default () => (
  <>
    <Input showCount maxLength={20} onChange={onChange} />
    <br />
    <br />
    <TextArea showCount maxLength={100} onChange={onChange} />
  </>
);
```
