Hello Markdown

```
console.log("Hello World"

)
```

```
console.log("Hello World2"

)
```

```typescript
function hello(name: string    ) {
                console.log(name);
};
```

```typescript
hello(         "alice");
```

```typescript
function foo(): number {
  return       2;
}
```

```json
{
  // Comment in JSON
  "key":           "value",
                "key2":
                "value2",
}
```

```json
{
  "numbers":
  ["1",      "2"]
}
```
