Third-party libraries

This file list third-party libraries used in the Android source folder, with their provenance and, when relevant, modifications made to those files.

com.android.vending.billing

- Upstream: https://github.com/googlesamples/android-play-billing/tree/master/TrivialDrive/app/src/main
- Version: git (7a94c69, 2019)
- License: Apache 2.0

Overwrite the file `aidl/com/android/vending/billing/IInAppBillingService.aidl`.

com.google.android.vending.expansion.downloader

- Upstream: https://github.com/google/play-apk-expansion/tree/master/apkx_library
- Version: git (9ecf54e, 2017)
- License: Apache 2.0

Overwrite all files under:

- `src/com/google/android/vending/expansion/downloader`

Some files have been modified for yet unclear reasons. See the `patches/com.google.android.vending.expansi` file.

com.google.android.vending.licensing

- Upstream: https://github.com/google/play-licensing/tree/master/lvl_library/
- Version: git (eb57657, 2018) with modifications
- License: Apache 2.0

Overwrite all files under:

- `aidl/com/android/vending/licensing`
- `src/com/google/android/vending/licensing`

Some files have been modified to silence linter errors or fix downstream issues. See the `patches/com.google.android.vending.licensing.patch` file.
