@mui/docs

This package hosts the documentation building blocks.

Installation

Install the package in your project directory with:

```
// with npm
npm install @mui/docs

// with yarn
yarn add @mui/docs
```

The docs has a peer dependency on the core components. If you are not already using MUI in your project, you can add it with:

```
// with npm
npm install @mui/material

// with yarn
yarn add @mui/material
```

Documentation

We have no documentation for these components.
