drm/xen-front Xen para-virtualized frontend driver

This frontend driver implements Xen para-virtualized display according to the display protocol described at include/xen/interface/io/displif.h

Driver modes of operation in terms of display buffers used

System Message: ERROR/3 (D:\onboarding-resources\sample-onboarding-resources\linux-master\Documentation\gpu\[linux-master][Documentation][gpu]xen-front.rst, **line 12**)

Unknown directive type "kernel-doc".

```
.. kernel-doc:: drivers/gpu/drm/xen/xen_drm_front.h
   :doc: Driver modes of operation in terms of display buffers used
```

Buffers allocated by the frontend driver

System Message: ERROR/3 (D:\onboarding-resources\sample-onboarding-resources\linux-master\Documentation\gpu\[linux-master][Documentation][gpu]xen-front.rst, **line 18**)

Unknown directive type "kernel-doc".

```
.. kernel-doc:: drivers/gpu/drm/xen/xen_drm_front.h
   :doc: Buffers allocated by the frontend driver
```

Buffers allocated by the backend

System Message: ERROR/3 (D:\onboarding-resources\sample-onboarding-resources\linux-master\Documentation\gpu\[linux-master][Documentation][gpu]xen-front.rst, **line 24**)

Unknown directive type "kernel-doc".

```
.. kernel-doc:: drivers/gpu/drm/xen/xen_drm_front.h
   :doc: Buffers allocated by the backend
```

Driver limitations

System Message: ERROR/3 (D:\onboarding-resources\sample-onboarding-resources\linux-master\Documentation\gpu\[linux-master][Documentation][gpu]xen-front.rst, **line 30**)

Unknown directive type "kernel-doc".

```
.. kernel-doc:: drivers/gpu/drm/xen/xen_drm_front.h
   :doc: Driver limitations
```
