November 2015 Plan

Theme

Get ready for [Connect(); //2015](#) and then recover.

Items

Before `Connect();` finish:

- ☑ Improve Theming support, make themes work better with the tokens we produce
- ☑ Support to import TextMate snippets
- ☑ Adopt latest version of Electron
- ☑ Make Code Open Source on github
- ☑ Provide beta version of the extension API
- ☑ Make the gallery available
- ☑ Initial version of the extension documentation

After `Connect();` decompress:

- ☐ Support the extender community
- ☐ React to feedback from the community
- ☐ Fix critical bugs -> tag bugs with 'November - end' milestone
- ☐ Debt reduction
- ☐ Tune our development workflows
- ☐ Build extensions
- ☐ Improve the documentation
