Hello Markdown

```
console.log("Hello World"

)
```

```
console.log("Hello World2"

)
```

```typescript
function hello(name: string    ) {
                console.log(name);
};

hello(        "alice");
```

```typescript
function foo(): number {
  return      2;
}
```

```json
{
  // Comment in JSON
  "key":          "value",
              "key2":
              "value2",
}
```

```json
{
  "numbers":
  ["1",      "2"]
}
```
