gatsby-remark-smartypants

Replaces "dumb" punctuation marks with "smart" punctuation marks using the [retext-smartypants](#) plugin.

Install

```
npm install gatsby-remark-smartypants
```

How to use

```
// In your gatsby-config.js
plugins: [
  {
    resolve: `gatsby-transformer-remark`,
    options: {
      plugins: [`gatsby-remark-smartypants`],
    },
  },
]
```

Options

Valid `remark-smartypants` options may passed to the plugin. For more on valid options refer to the [retext-smartypants API](#).

```
// In your gatsby-config.js
plugins: [
  {
    resolve: `gatsby-transformer-remark`,
    options: {
      plugins: [
        {
          resolve: "gatsby-remark-smartypants",
          options: {
            dashes: "oldschool",
          },
        },
      ],
    },
  },
]
```
