Guidelines for collection maintainers

Thank you for being a community collection maintainer. This guide offers an overview of your responsibilities as a maintainer along with resources for additional information. The Ansible community hopes that you will find that maintaining a collection is as rewarding for you as having the collection content is for the wider community.

System Message: ERROR/3 (`D:\onboarding-resources\sample-onboarding-resources\ansible-devel\docs\docsite\rst\community\(ansible-devel)(docs)(docsite)(rst)(community)maintainers.rst`, line 9)

Unknown directive type "toctree".
