Kernel driver i2c-pca-isa

Supported adapters:

This driver supports ISA boards using the Philips PCA 9564 Parallel bus to I2C bus controller

Author: Ian Campbell <icampbell@arcom.com>, Arcom Control Systems

Module Parameters

- base int
  - I/O base address
- irq int
  - IRQ interrupt
- clock int
  - Clock rate as described in table 1 of PCA9564 datasheet

Description

This driver supports ISA boards using the Philips PCA 9564 Parallel bus to I2C bus controller
